

# FIRCREST COMMUNITY POOL AND BATHHOUSE

## FIRCREST, WA

This facility accommodates everything from certified competition swimming, to toddler swim and play all at the same time. The main pool has 6 competition swim lanes equipped with starting blocks and 3 meter competition diving board. The custom vortex feature gives the pool an added level of leisure, and adds apx. 1,000 square feet of open swim areas for other patrons. The pool also has a detached pool with a zero depth entry and Vortex play features.
